MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

October 26, 2004

DCFS PHONE ABUSE

An investigation by the Department of Auditor-Controller found that a social worker employed by the Department of Children and Family Services had fraudulently used his calling card to charge \$76,000 in calls to Thailand. Even more disturbingly, the Auditor-Controller discovered the social worker, in most cases, had never visited the foster youth assigned to him and he had falsified reports.

I, THEREFORE MOVE THAT, the Board of Supervisors direct the Department of Children and Family Services to report back in 14 days with a corrective action plan to ensure every social worker is visiting the children as mandated by department policy and a plan to prevent future phone abuses by employees.
